HOW TO CITE RULES AND RSMO

RULES
The rules are codified in the *Code of State Regulations* in this system–

Title	CSR	Division	Chapter	Rule
3	*Code of*	10-	4	115
Department	*State*	Agency	General area	Specific area
	Regulations	division	regulated	regulated

and should be cited in this manner: 3 CSR 10-4.115.

Each department of state government is assigned a title. Each agency or division in the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraphs 1., subparagraphs A., parts (I), subparts (a), items I. and subitems a.

The rule is properly cited by using the full citation; for example, 3 CSR 10-4.115, NOT Rule 10-4.115.

Citations of RSMo are to the *Missouri Revised Statutes* as of the date indicated.

Code and *Register* on the Internet

The *Code of State Regulations* and *Missouri Register* are available on the Internet.

The *Code* address is sos.mo.gov/adrules/csr/csr

The *Register* address is sos.mo.gov/adrules/moreg/moreg

These websites contain rulemakings and regulations as they appear in the *Code* and *Registers*.

The text of proposed rules and changes will appear under this heading. A notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This explanation is set out in the PURPOSE section of each rule. A citation of the legal authority to make rules is also required, and appears following the text of the rule, after the word "Authority."

Entirely new rules are printed without any special symbology under the heading of proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules that are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

An important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment, or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

If an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

An agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close-of-comments date will be used as the beginning day in the ninety- (90-) day count necessary for the filing of the order of rulemaking.

If an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice, file a new notice of proposed rulemaking, and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

Proposed Amendment Text Reminder:
Boldface text indicates new matter.
[Bracketed text indicates matter being deleted.]

TITLE 13 — DEPARTMENT OF SOCIAL SERVICES
Division 70 — MO HealthNet Division
Chapter 10 — Nursing Home Program

PROPOSED AMENDMENT

13 CSR 70-10.110 Nursing Facility Reimbursement Allowance. The division is amending sections (1) and (2).

PURPOSE: This amendment clarifies that the NFRA will comply with federal regulation 42 CFR 433.68 and produce revenues less than or equal to six percent (6%) of the revenues received by the health care provider, which is required for a health care related tax to be permissible, amends the fiscal period, updates the quarterly survey submission reference, provides for the days to be used if a quarterly survey is not submitted, and removes outdated language that is no longer needed.

(1) Nursing Facility Reimbursement Allowance (NFRA). NFRA shall be assessed as described in this section.

(A) Definitions.

1. Nursing facility. An institution or a distinct part of an institution which —

A. Is primarily engaged in providing to residents —

(I) Skilled nursing care and related services for residents who require medical or nursing care; or

(II) Rehabilitation services for the rehabilitation of injured, disabled, or sick persons; or

(III) On a regular basis, health-care and services to individuals who, because of their mental or physical condition, require care and services (above the level of room and board) which can be made available to them only through institutional facilities and is not primarily for the care and treatment of mental diseases; and

B. Has in effect a transfer agreement with one (1) or more hospitals as required by federal law; and

C. Meets the requirements for a nursing facility described in section 1919(b)–(d) of the Social Security Act; or

D. Is licensed in accordance with Chapter 198, RSMo, as a skilled nursing facility.

2. Fiscal period. A facility's twelve- (12-) month fiscal reporting period *[covering the same twelve- (12-) month period as its federal tax year]*. **If the facility is also participating in the Title XVIII Medicare (Medicare) program, the Medicaid cost report period shall be the same as the Medicare cost report period. If the provider does not participate in Medicare, the Medicaid cost report should have the same twelve- (12-) month fiscal year consistent with the facility's accounting and reporting period.**

3. Department. Department of Social Services.

4. Director. Director of the Department of Social Services.

5. Division. MO HealthNet Division, Department of Social Services.

6. Department of Health and Senior Services (DHSS). The Missouri state agency responsible for licensing and inspecting all long-term care facilities operating in Missouri and certifying annually those facilities participating in the Medicare or Medicaid program.

7. Engaging in the business of providing nursing facility services. Accepting payment for nursing facility services rendered.

8. Quarterly survey. The survey filled out each quarter by a nursing facility providing data on its licensed and certified beds and the related resident occupancy days (ROD) that is submitted to the DHSS. The survey *[form]*, "Missouri Department of Health and Senior Services, *[Division of Senior Services and Regulation, ICF/SNF]* Certificate of Need Quarterly Survey" *[(form MO 886-9001 (6-95))]*, incorporated by reference in this rule, is published by the Department of Health and Senior Services, Division of Senior Services and Regulation, PO Box 570, Jefferson City, MO 65102 **and is available at https://consurvey.dhss.mo.gov/CONFacility/Login.aspx, June 23, 2025**. This rule does not incorporate any subsequent amendments or additions.

9. Applicable quarterly survey. The quarterly survey used by the division from which the patient occupancy days are taken to determine the NFRA assessment for a given period as set forth in section (2).

10. Patient occupancy days. The number of days that residents occupied the licensed beds in a nursing facility as shown on the quarterly survey, line D. "Number of occupied RODs (days patients in beds or beds held)."

11. Annualized level of patient occupancy days. The annual level of patient occupancy days used to determine the annual NFRA assessment.

A. For existing nursing facilities whose NFRA assessment is set in accordance with paragraph (1)(B)1. of this regulation, the annualized level of patient occupancy days is calculated by taking the number of patient occupancy days shown on line D. of the quarterly survey multiplied by four (4).

B. For nursing facilities whose NFRA assessment is not set by the general rule set forth in paragraph (1)(B)1. (i.e., it is an exception set under subparagraph (1)(B)1.A., is a new facility set under paragraph (1)(B)2., qualifies for a NFRA *[A]***a**djustment in accordance with section (3), etc.), the annualized level of patient occupancy days may be calculated differently and is set forth in those sections.

12. Licensed beds. Any skilled nursing facility or intermediate care facility bed meeting the licensing requirement of the Missouri Department of Health and Senior Services.

13. Licensed bed days. The total number of patient days available for use during a given period for all licensed beds. For purposes of this regulation, licensed bed days are calculated for an annual period and is the number of licensed beds times three hundred sixty-five (365) days.

14. Change of ownership. A change in the ownership, control, operator, or leasehold interest.

(B) Each nursing facility, except any nursing facility operated by the Department of Mental Health, engaging in the business of providing nursing facility services in Missouri shall pay a Nursing Facility Reimbursement Allowance (NFRA).

1. The NFRA owed for existing nursing facilities shall be calculated by multiplying the NFRA rate by the annualized level of patient occupancy days from the applicable quarterly survey. The NFRA shall be divided by and collected over the number of months for which each NFRA rate is effective. The NFRA rates, effective dates, and applicable quarterly surveys are set forth in section (2).

A. Exceptions.

(I) If an existing nursing facility*['s]* **is not open for the entire quarter relative to the** applicable quarterly survey, as set forth in section (2), **and the applicable quarterly survey** does not represent a full quarter's worth of days due to a termination, temporary closure, change of ownership, etc., **the** annualized level of patient occupancy days used to determine the NFRA shall be the greater of*[:]*—

(a) The annualized level of patient occupancy days from the quarterly survey immediately prior to the applicable quarterly survey, if it represents a full quarter's worth of days; or

(b) Fifty percent (50%) of licensed bed days (i.e., number of licensed beds times three hundred sixty-five (365) days times fifty percent (50%)).

(II) If an existing nursing facility did not *[have patient occupancy information included on the applicable quarterly survey due to a termination, temporary closure, change of ownership, etc.]* **submit the applicable quarterly survey**, the annualized level of patient occupancy days used to determine the NFRA shall be the greater of*[:]*—

(a) *[The annualized level of patient occupancy days from the quarterly survey immediately prior to the applicable quarterly survey, if it represents a full quarter's worth of days]* **The facility's current NFRA assessment (i.e., the NFRA assessment that is in effect prior to the new SFY update for which the facility did not submit a survey)**; or

(b) *[Fifty percent (50%)]* **Eighty percent (80%)** of licensed bed days.

(III) If a nursing facility has **intermediate care facility (**ICF**)** licensed beds and **skilled nursing facility (**SNF**)** licensed beds and none of the beds are Medicaid certified, only the SNF beds are subject to NFRA. The annualized level of patient occupancy days used to determine the NFRA shall be determined by multiplying the occupancy percentage from the applicable quarterly survey by the licensed bed days for the SNF licensed beds (i.e., number of SNF licensed beds times three hundred sixty-five (365) days).

(IV) If two (2) existing nursing facilities merge, with one (1) nursing facility terminating and transferring its beds to the remaining facility, the NFRA for the two (2) previously independent nursing facilities shall be added together and assessed to the remaining facility.

2. The initial NFRA owed by a newly licensed nursing facility that just opened as a result of receiving a Certificate of Need (CON) for a new nursing facility shall be calculated by multiplying the NFRA rate by the annualized level of patient occupancy days based on fifty percent (50%) of licensed bed days. The NFRA shall be prorated for the number of months remaining in the NFRA period. If a nursing facility's licensure date is after the first day of a month, the NFRA will be collected beginning with the first day of the month following the actual licensure date.

3. If a nursing facility ceases to provide nursing facility services, the nursing facility is not required to pay the NFRA during the months in which it does not have residents, even though it may retain a license due to temporary closure for renovations, replacement, etc. If a nursing facility provided nursing facility services for any portion of a month, it shall pay the NFRA for the entire month (i.e., the NFRA shall not be prorated for the month in which it ceases to provide nursing facility services). If the facility reopens, it shall resume paying

the NFRA. It shall owe the same NFRA as it did prior to closing, if the NFRA has not changed per section (2) below. If the NFRA has changed, the facility shall be assessed in accordance with paragraph (1)(B)1. above.

[(C) Each nursing facility shall submit to the department a statement that accurately reflects—

1. If the nursing facility is owned and operated by the state of Missouri; and

2. If the nursing facility accepts payment for services rendered.

(D) The department shall prepare a confirmation schedule of the information from each nursing facility's 1994 second quarterly survey from the Division of Aging and provide each nursing facility with this schedule.

1. This schedule shall include:

A. Provider name;

B. Provider number; and

C. Total patient occupancy days.

2. Each nursing facility required to pay the Nursing Facility Reimbursement Allowance shall review the information in the schedule referenced in paragraph (1)(D)1. of this regulation and provide the department with correct information. If the information supplied by the department is incorrect, the facility within thirty (30) calendar days of receiving the confirmation schedule must notify the division and explain the corrections. If the division does not receive corrected information within thirty (30) calendar days, it will be assumed to be correct, unless the nursing facility files a protest in accordance with subsection (1)(F) of this regulation.

*(E)]***(C)** Payment of the NFRA.

1. Offset. Each nursing facility may request that their Nursing Facility Reimbursement Allowance be offset against any Missouri Medicaid payment due to that nursing facility. A statement authorizing the offset must be on file with the division before any offset may be made relative to the nursing facility reimbursement allowance by the nursing facility. Assessments shall be allocated and deducted over the applicable service period. Any balance due after the offset shall be remitted by the nursing facility to the department. The remittance shall be made payable to the Director of the Department of Revenue and deposited in the state treasury to the credit of the Nursing Facility Reimbursement Allowance Fund. If the remittance is not received before the next Medicaid payment cycle, the division shall offset the balance due from that check.

2. Check. If no offset has been authorized by the nursing facility, the division will begin collecting the nursing facility reimbursement allowance on the first day of each month. The NFRA shall be remitted by the nursing facility to the department. The remittance shall be made payable to the director of the Department of Revenue and deposited in the state treasury to the credit of the Nursing Facility Reimbursement Allowance Fund.

3. Failure to pay the NFRA. If a nursing facility fails to pay its NFRA within thirty (30) days of notice, the NFRA shall be delinquent. For any delinquent NFRA, the department may proceed to enforce the state's lien of the property of the nursing facility, may cancel or refuse to issue, extend, or reinstate the Medicaid provider agreement or may seek denial, suspension, or revocation of license granted under Chapter 198, RSMo. The new owner, as a result of a change in ownership, shall have his/her NFRA paid by the same method the previous owner elected.

*[(F)]***(D)** Each nursing facility, upon receiving written notice of the final determination of its Nursing Facility Reimbursement Allowance**,** may file a protest with the director of the department setting forth the grounds on which the protest is based, within thirty (30) days from the date of receipt of written notice from the department. The director of the department shall reconsider the determination and, if the nursing facility so requested, the director or the director's designee shall grant the nursing facility a hearing to be held within forty-five (45) days after the protest is filed, unless extended by agreement between the nursing facility and the director. The director shall issue a final decision within forty-five (45) days of the completion of the hearing. After a final decision by the director, a nursing facility's appeal of the director's final decision shall be to the Administrative Hearing Commission in accordance with sections 208.156*[, RSMo]* and 621.055, RSMo.

(2) NFRA Rates. **The amount of the fees imposed under this rule shall not exceed the percentage of net patient service revenues permitted by federal regulation pursuant to 42 CFR 433.68 as determined by the department on a per occupied bed per day basis. Federal regulation 42 CFR 433.68 specifies that permissible health care related taxes shall produce revenues that are less than or equal to six percent (6%) of the revenues received by the health care provider. Federal regulation 42 CFR 433.68 is incorporated by reference as published by Office of the Federal Register, National Archives and Records Administration, 732 N. Capitol Street NW, Washington, DC 20401, October 1, 2024. This rule does not incorporate any subsequent amendments or additions.** The NFRA rates determined by the division*[, as set forth in subsection (1)(B) above,]* are as follows:

TITLE 20 – DEPARTMENT OF COMMERCE AND INSURANCE
Division 2150 – State Board of Registration for the Healing Arts
Chapter 7 – Licensing of Physician Assistants

ORDER OF RULEMAKING

By the authority vested in the State Board of Registration for the Healing Arts under section 334.743, RSMo 2016, the board amends a rule as follows:

20 CSR 2150-7.135 Physician Assistant Collaborative Practice Arrangements **is amended**.

No changes have been made to the text of the proposed amendment, so it is not reprinted here. This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The board received three (3) comments on the rule.

COMMENT #1: Katie Davenport-Kabonic, D.O., FAACP, President of the Missouri Association of Osteopathic Physicians and Surgeons (MAOPS), and Brian Biggers, M.D., President of the Missouri State Medical Association (MSMA), requested that the entire section (6) not be removed from the rule and, instead, section (6) be amended to eliminate only the time period "one-month" requirement for a physician assistant to be continuously present with the collaborating physician; such amendment would be compatible with statute and lessen confusion regarding a physician's supervisory role when collaborating with physician assistants.
RESPONSE: The final judgment entered on February 10, 2025, in *Missouri Academy of Physician Assistants vs. Missouri State Board of Registration for the Healing Arts* (Cole County, Case No.: 23AC-CC01029) found and ordered that section (6) of Missouri regulation 20 CSR 2150-7.135 is contrary to section 334.735.13, RSMo, and ruled that section to be invalid and void. No changes have been made to the rule.

COMMENT #2: Dustin Bartlett, MPAS, PA-C, CAQ, CVTS, DFAAPA, President of the Missouri Academy of Physician Assistants (MOAPA), wrote in favor of amending the rule to eliminate the entirety of section (6), as court-order mandated; having the section remain in the regulations creates confusion amongst interested parties.
RESPONSE: The comment supports the proposed amendment to eliminate section (6) and does not request changes to the proposal. No changes have been made to the rule.

The Secretary of State is required by sections 347.141 and 359.481, RSMo, to publish dissolutions of limited liability companies and limited partnerships.
